

CALL FOR PRESENTATIONS
2010 Missouri Department of Mental Health's
Spring Training Institute (STI)
May 20-21, 2010
Tan-Tar-A Resort, Osage Beach, Missouri

Co-sponsors: Missouri Department of Mental Health
Missouri Institute of Mental Health (MIMH), University of Missouri

Application Due: November 13, 2009

We invite you to add your knowledge and expertise to this great learning opportunity. Proposals will be selected based on their quality of evidence-based practices, cultural sensitivity, applicability, applicant experience and education, presentation method and originality.

When designing your program, presenters should gear their session toward the following mental health professionals: licensed clinical social workers, psychologists, licensed professional counselors, physicians, vocational rehabilitation specialists, clergy, certified alcohol, drug and gambling counselors, prevention specialists and other professionals engaged in social services, education, developmental disabilities, psychiatric services, law enforcement, and the judicial system.

Topics of interest utilizing Evidence-Based Practices:

- Cognitive-Behavioral Treatment
- Motivational Interviewing
- Relapse Prevention
- Brief Intervention
- Children, Youth and Families
- Compulsive Gambling in Adults
- Mental Health Services for Returning Veterans and Families
- Prevention of Substance Use and Abuse
- Trauma-Informed Care
- Clinical Practice with Diverse Individuals and Families
- Best Practices for Treatment of Consumers with Co-Occurring Disorders
- Faith-Based Prevention and Recovery Support
- Workforce and Professional Development
- Housing Options for Missouri Offenders Reentering the Community
- Developing Professional Mentoring Relationships
- Self-Care for the Professional (preventing/overcoming burnout due to system expectations, workload, etc.)
- Clinical Best Practices for Engaging Resistant or Court Mandated Adolescents
- Overcoming System Barriers to Providing Effective Treatment (staff turnover, morale, funding limitations)
- Positive Behavioral Supports
- Supported Employment
- Integrated Dual Diagnosis Treatment (IDDT)
- Assertive Community Treatment (ACT)
- Pharmacotherapy
- Employment and Persons with Disabilities
- Illness Management and Recovery
- Recovery Oriented Systems of Care

GENERAL INFORMATION

Workshops are either 75 or 90 minutes.

COPYRIGHT PERMISSION

Any and all material used in your presentation must be original work or you must obtain written permission from the owner. If your material is not original, please obtain written permission from the owner and send to vicki.brooks@mimh.edu prior to the program.

WEB CONFERENCE AND DVD PRESENTATION

In addition to presenting a live program, presenters are given the opportunity to deliver their topic via a live web conference and a taped version offered online or in DVD format. The Missouri Institute of Mental Health will work with you to determine a convenient date. We can schedule this as early as December or up to or after the STI program depending on your schedule.

INFORMATION REQUIRED

To be considered as a presenter at the 2010 STI, we require completion of the attached application. Or you can go to the MIMH website www.mimhtraining.com to complete an online application. If selected, information provided by you will be used in print material for the conference.

All proposals will be answered via email by **December 4, 2009**.
